

Survey Calculator / Drafter

Posted February 2, 2021

Browne Johnson Land Surveyors is located in Salmon Arm, BC, in the heart of BC's beautiful Shuswap region. We're currently looking for a motivated and hard-working person to join our friendly team of technologists and professional land surveyors. This position is open to in-office or remote workers.

Browne Johnson offers a comprehensive benefits package and considers the health and wellness of its employees and their families to be a top priority.

This is permanent position, beginning in Spring of 2021. Duties will include drafting survey plans, and performing land survey and GPS calculations.

Responsibilities

- Working alone or as a member of an office team
- Working under the supervision of a professional land surveyor
- Performing research and calculations to prepare for fieldwork
- Calculating field data and preparing work for drafting
- Drafting building location certificates, site plans, and legal survey drawings
- Interpreting legal plans, field notes, and construction drawings
- Liaising with project managers, contractors, and members of the public
- Working safely and within defined safety protocol

Requirements

- Education and/or experience in geomatics or land surveying fields
- Strong communication skills and excellent work ethic
- Professional demeanour when interacting with clients, fellow employees and members of the public
- Experience working with AutoCAD, Microsurvey, or similar software

Assets

- Experience with Leica Infinity software
- Experience drafting building location certificates, site plans, and legal survey drawings
- Experience working with Least Squares adjustments software, including Starnet

Browne Johnson is an equal-opportunity employer.
