

# Survey Technologist

Posted December 14, 2020

Browne Johnson Land Surveyors is located in Salmon Arm, BC, in the heart of BC's beautiful Shuswap region. We're currently looking for a motivated and hard-working person to join our friendly team of technologists and professional land surveyors.

Browne Johnson offers a comprehensive benefits package and considers the health and wellness of its employees and their families to be a top priority.

This is a full-time position as a member of a field survey crew, beginning in Spring of 2021. For the right person, the role may expand to include survey calculations.

## Responsibilities

- Working alone or as a member of a survey field crew
- Working in urban and remote environments in a variety of weather
- Using conventional instruments, robotic total stations, digital levels, and GNSS equipment
- Performing field calculations
- Interpreting legal plans, field notes, and construction drawings
- Liaising with project managers, contractors, and members of the public
- Working safely and within defined safety protocol

## Requirements

- Education and/or experience in geomatics or field surveying
- Strong communication skills and excellent work ethic
- Physically fit
- Professional demeanour when interacting with clients, fellow employees and members of the public
- Valid driver's licence with a clean driver's abstract

## Assets

- Experience with Leica conventional, robotic, and GNSS instruments
- Experience with Microsurvey FieldGenius, Leica Captivate, Microsurvey CAD
- Experience performing legal surveys, construction layout surveys, and site surveys

Browne Johnson is an equal-opportunity employer.
