

# Field Survey Technologist

Posted June 8, 2021

Browne Johnson Land Surveyors is located in Salmon Arm, BC, in the heart of BC's beautiful Shuswap region. We're currently looking for a motivated and hard-working person to join our friendly team of technologists and professional land surveyors.

Browne Johnson offers a comprehensive benefits package and considers the health and wellness of its employees and their families to be a top priority.

This is a full-time position as a member of a field survey crew, beginning immediately. For the right person, the role may expand to include survey calculations.

This position is for local work in and around Salmon Arm. The successful candidate will need to relocate to Salmon Arm.

## Responsibilities

- Working alone or as a member of a survey field crew
- Working in urban and remote environments in a variety of weather
- Using conventional instruments, robotic total stations, digital levels, and GNSS equipment
- Performing basic field calculations
- Interpreting legal plans, field notes, and construction drawings
- Liaising with project managers, contractors, and members of the public
- Working safely and within defined safety protocol

## Requirements

- Strong communication skills and excellent work ethic
- Physically fit, capable of working in rough terrain and all weather
- Professional demeanour when interacting with clients, fellow employees and members of the public
- Valid driver's licence with a clean driver's abstract

## Assets

- Education and/or experience in geomatics or field surveying
- Experience with Leica conventional, robotic, and GNSS instruments
- Experience with Microsurvey FieldGenius, Leica Captivate, Microsurvey CAD
- Experience performing legal surveys, construction layout surveys, and site surveys

Browne Johnson is an equal-opportunity employer.
